Assessment Activities

The following activities can be used to assess student progress in any subject.

1. Write an explanation of the following words:

(list words here)

✓ *Make your explanations so clear that they could go in a glossary for a textbook.*

2. Give an example of _____.

✓ *Write your example so clearly that people would understand this topic better because they read your example.*

3. Write an explanation of _____

✓ *Write your explanation so clearly that someone would understand what is most important.*

✓ *Include an example in your explanation.*

4. Identify and explain differences between _____ and _____ . Tell the significance of these differences.

✓ *Include at least two differences in your statement.*

✓ *Clarify why they are important.*

5. Choose the correct answer and give a reason for your choice.

(provide multiple choice questions here)

✓ *Justify your choice with specific evidence.*

6. Draw a picture that shows _____.

✓ *Make your picture so clear that another student can see what's important about this topic in the picture.*

7. Write directions for: _____.

✓ *Make your directions so clear that another student could follow them and do a good job.*

8. Write a paragraph that explains the most important idea you have learned about this topic.

✓ *Justify your choice of the idea.*

✓ *Include two examples that make the idea clear.*
