

I can infer the main idea of a history.

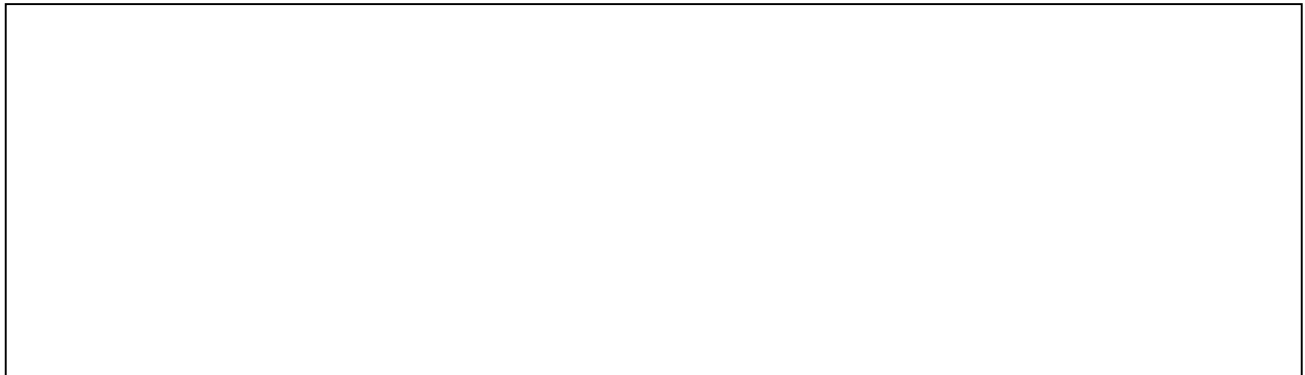

CCSS Anchor Standard 1. Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text.

CCSS Anchor Standard 2. Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas. Use standard specific to your grade level.

Draw 2 people who are in the history. Draw them with a detail that helps someone else tell who they are. Write their name on the line.

This is the most important thing that happened. Draw it or write it here.

Write words that tell about what happened.

This is what I think the main idea is. This is the idea the writer wants me to understand from reading the history.
