

## Calendar of Hope

Can be done individually or as a display.

Choose a proverb or saying for each day.

Students illustrate the ideas in the rectangles below the statements.

We did the first row of sayings as an example.

| Monday  | Tuesday   | Wednesday                            | Thursday                                      | Friday  |
|---|---|--------------------------------------|---|---|
| Even the hardest of winters fears the spring. (Lithuania) | He who does not know one thing knows another. (Kenya) | Every future is not far away. (Arab) | Everyone is the age of her heart. (Guatemala) | It takes two to make the quarrel, but only one to end it. (Nicaragua) |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
|   |   |                                      |   |   |
