

My Vision: Possibilities, Plans, Progress

I can write a speech or letter. (ILS3C) Analyze how individuals interact. (ILS18B)

What is your own plan for progress?

Write a speech you can give to seventh grade students or a letter to your family—or to yourself. Explain your vision.

Use this outline to prepare your speech or letter.
Then write it.

What's important to me:

- As an 8th grader about to start high school

- As a graduate of my elementary school

- As a responsible member of my community

- As a future leader of Chicago.

- How we can all work together to have a better city.
