

I Can Make Connections Through Comparisons (1C)

CULTURAL FRAMES: AN IDEA CHART

While this outline focuses on interpreting one event, it can be adapted to deal with anything that different cultures would view from different perspectives.

Views of an Event

- Choose one important event.
- Include at least two cultures.
- Use words or symbols to complete this chart.

EVENT:

TIME:

PERSPECTIVE	ONE CULTURE'S VIEW	ONE CULTURE'S VIEW
What is important to the culture--what are the most important values?		
How does this event affect members of the culture?		
Why does this event take place?		
What progress will this event lead to?		
What problems will this event lead to?		

THE BIG IDEA

What does this add up to mean? What is one big idea your chart shows about how different cultures view the same event?
