

Museum Reader

Use the following questions in any culture exhibit at the museum.

Infer the meaning from context

*Find an object you don't recognize. Figure out what it probably.....
was used for based on the exhibit.*

Infer the traits of a character or person

*Find an object that someone used to accomplish a job. What
can you tell about that person from the object?*

Infer the motive of a character or person

*Find an object that was important to someone. Why was it
important?*

Infer relationships

*What are some things you could say about the way people lived
in this culture?*
