You're the Leader
I can use word origins and derivations to understand content area words. (1A)

List words that you would need to know to do a leadership job in government successfully.

Then use your words for one of these projects:
- write the biography of a leader who did a good job in that position
- write a campaign speech for that job--for yourself in the future

Meet the standard:
- Check your work—is it
  - complete?
  - correct?
  - clear?

Exceed the Standard:
- Write what you learned by doing this project.
