

**READING/WRITING/THINKING CHICAGO
BOOK-MAKING KIT**

**MY SCHOOL
HISTORY BOOK-
FUTURE BOOK**

This is a Do-It-Yourself Book.
It develops skills in research, organization, and
writing.

First, look at the search sheets. You will use
them to get facts. For each part, you need to
talk with people in the school.

Make notes as you interview those people.

Then use the outline to write about your school
as it is and will be.

**Reading/Writing/Thinking Chicago is funded by the
Lloyd A. Fry Foundation.**

**The project was developed through the Citibank Citi-Educators Program and
coordinated through the DePaul University Center for Urban Education.**

CRITERIA FOR WRITING

These criteria are based on the Writing Scoring Guides of the Illinois State Board of Education IGAP Student Assessment

You can share them with students directly--have them use this set of criteria to assess their own work before they re-write it to make sure they meet these standards. First, have the students write their own explanations of just what these standards mean. Then have students exchange their papers with each other and review them with these criteria. You also can use this list to have students focus on just one criterion at a time.

FOCUS

The subject is clear.

The reader knows what the purpose of the writing is.

The reader knows what the main ideas are.

SUPPORT/ELABORATION

Information helps the reader understand the key points the writer is making.

ORGANIZATION
