

Culture Vocabulary

Add more words—this is just a starting list. Also, some words relating to culture should be developed orally at primary grades and then as a reading/writing vocabulary at subsequent grades. The grade 4-8 list is combined so that teachers can incorporate vocabulary to fit units of instruction.

K	1	2	3	4-8		
brother	color	building	celebrate	agriculture	design	migrant
family	flag	change	city	ancestor	develop	migrate
