Focus 🜩 Get It Clear 🖒 Think More 🛹 Think It Through 🖺 Get It Together 💠 Get It Across 🥪	
Put Math in Context	I can write a story with numerical information. I can construct a problem based on that information.
Note the Context/Situation:	
What numerical data will you include? (List relevant numerical information.)	

Description/narrative-tell the story with the numbers.

Challenge: Make up a math problem based on this situation.
