

Dear Mayor Daley,

Hi my name is _____ and I want to talk to you for a minute if you have the time. I just wanted to talk to you about the gangs and Sheriff. So about these gangs I feel that you should put more and more police. But I will get back to you on that. But really, you should put more police more comra's and more sheriff I would be so happy. Now about the Sheriff I would put more sheriffs it would make me and my Dad happy but mostly my Dad because my Dad is a sheriff and he works for The Cook County his name is David Soto and he is the best Dad in the whole wide world because he arrests people. So please can you put more sheriffs so it can make me and my Dad happy. Well, if you do take my advice it would just make me happy like any other girl. So that is really what I just wanted to talk to you about well hope you have a nice day. Bye!

Sincerely,
