

Dear

Mayor Daley

10810 S.ave.H

May,14-09

My name is .I'm writing to say that we should recycle.I am going to tell you why.

We should recycle because one day all of the landfills will be filld.Then,we will live in a dirty inverment.I think that every street shoud have a recycling bin.I say that every tree will start go one by one.

That is why I think we should recycle.Please write back.Sencerely,
