

# Please Stop Gangs

Dear Mayor Daley,

Date: 5-14-09

My name is \_\_\_\_\_, age 9, and I go to Jane Addams School in Chicago. I know I am just a girl, but I believe that I could change something. Please stop gangs. Gangs are killing our city. You want a nice city, right? Help me save Chicago. Gangs are killing people. They are writing on walls, homes and even schools! I have an idea - I was thinking about what if all the gangs that you find, you can put them in the army? I think maybe there they will learn their lesson. You never know what will happen in the future. Probably later if you don't do anything about it, there will be more and more gangs and people might start leaving from Chicago. Please think about the others. Think about what I am telling you. If you have a response, my school address is 10810 S. Avenue H. Thank you.

Sincerely,
