

Analyze Arguments

CCSSR8 Delineate and evaluate the argument and specific claims in a text, including the validity of the reasoning and sufficiency of the evidence.

CCSS Writing Standard 1. Write arguments to support claims in an analysis of substantive topics or texts using valid reasoning and relevant and sufficient evidence.

Issue: _____

One Position

Supporting Reasons and Facts:

Another Position

Supporting Reasons and Facts:

MY VIEW: Which position do you choose?

Organize to explain your position and defend it. First, list examples and evidence to support your position. Then write a persuasive statement or prepare a debate guide.
