What is the PARCC/Common Core connection between drawing and reading? This example is based directly on a PARCC sample.

Chart to List Details from the Text
CCSSR1—read "closely"/carefully to locate important information about setting (CCSSR3)

Complete the chart to show how the writer describes the place.

Put three details from the text into the chart. Just write a few words on each line.

Details

Draw a picture that shows the place.
