Dear Mayor Daley,  
Please find the time to read  
Room Community plan. I think it  
is great.

I think our community should be  
safer. This morning I saw a box that said  
R.I.P and the person was killed because of gangs.  
That made me feel horrible, there are also many  
fights, and too much tagging "CS Prax Paint"  
I see gang signs. I'm tired of it. They  
look like this ↓

I think my neighborhood needs be  
prettier with lots less littering. Even though  
my community is already beautiful, but it can  
always look better.

That's what is wrong with MY  
Community. We already see how beautiful the  
lakefront is thanks to Daniel Burnham. Now let's focus  
on the rest of the city. Thank you  
Mayor Daley.

Sincerely,
