Dear Mayor Daily,

Will you please read our plan for Chicago. If you read my plan is in there. My community is not safe. I saw an out of control woman. She was hitting her self. My neighborhood needs to be prettier because there is a lot of tagging (spray paint) from gangs. For an example this is how it looks.

my neighborhood needs to be more fun because there's is only one park by my house and it is a public one and people still do drugs, drink alcohol. It is not safe.
Sincerely,
