Dear Mayor Daley,

Will you take the time to read my letter? My plan is to make my neighborhood more fun. It is pretty safe and pretty. All we need is more fun.

We need some more parks with play grounds. You can also make some Boys and Girls Clubs so we will have a place to go. All I am asking for are just some fun places. It would be great if kids have some thing fun to do, that way they won't get into as much trouble.

Thank you Mayor Daley.
Sincerely,
