

Answer the BIG Question!

K-1 teachers may use this format as a class or small group activity.
Students in grades 2-8 should be able to complete it independently, although it also can be an activity.

When done independently it is an assessment.

CCSSW7. Conduct short as well as more sustained research projects based on focused questions, demonstrating understanding of the subject under investigation.

TOPIC: _____

BIG QUESTION: _____

*What are 3 **important** facts you will use in your answer?*

FACT

What is your answer? You can draw a picture or diagram or timeline or outline your answer here. Then answer on another page.
