

Hi my name is [redacted] I
am a third grade student at Ariel
COMMUNIT Academy we have
some

Computers at our School
we have been studying all about
Chicago we learned about the
Great Chicago fire we also
went on the Architectural boat
tour at Navy pier

my big Plan for Chicago is
for you to provide free afterschool
tutoring for all students This way
more people who cant pay for
afterschool Programs can go
They then can learn more and
get smarter

I think this will be very
Sincerely, [redacted]
