Dear Mayor Daley,

Hi my name is [redacted] and I am a student at Ariel Community Academy. My teacher's name is [redacted]. She has taught us so much, I don't even know where to begin. One thing she taught us is about Chicago History. Two, she is teaching us about Cursive. I am writing this letter to let you about my big plan for Chicago.

In class we have learned about Chicago's History. I've learned about some of the different important people in Chicago like Jane Addams, Daniel Burnham, and DuSable. I have also learned about some of the different leaders in Chicago.

My big bold plan is I think that all 3rd through 8th grade student should have a new

50
uniforms. My first thing to doing

this is to talk to the uniform store
Second, I will have to talk to the
Mayor to convince him this is a good
plan. Third, I to ask the third
graders if they want me to change
these uniform these uniform. Fourth,
I will have to tell the people who
help me the instructions. Lastly,
I will have to tell America why this
will help chang Chicago. This is
my big plan.

This is going to be a good plan
My first reason is because it
will help the Mayor of Chicago and
also schools. My second reason
is because will be happy with
they are wearing to school. My
third reason is parents will be
satisfied with what their child
is wearing. I think this will help
the future by making kids

happy and hearing kids
say = Mom, can I wear this to
school today. //

Again Mayor I am asking
you to please, please change
our uniforms. You will see kids
waking up happy because
they like their uniform.

Sincerely
