

May, 5<sup>th</sup> 2009

Dear Mayor Richard Daley,

This is my paper my name is

[REDACTED]

I am a

student at Ariel Community Academy

In Room [REDACTED]. I like sports

such as basket ball foot ball. Now

I am going to tell you about  
Chicago.

I have learned many thing about

Chicago. I know that the three  
white <sup>mean</sup> stripes on the Chicago flag

one stand for the North side two

west side three south side. I also

know that the East side is covered  
by the Lake Michigan. The two

blue stripes on the Chicago flag

stand for Lake Michigan and the

North branch of the Chicago river

Now this is my bold idea for Chicago, my plan for Chicago is to build more "L" lines in Chicago so people can get places faster. You won't see a lot of cars any more.

First, I will need to call the people to come out and put up signs that say we are going to be putting up new train tracks on this day and people will have to find new places to park until we are done.

This is a bold plan because most people don't have cars and they need more transportation. If I build more "L" lines people can get places more easily.

Sincerely,
