Dear Mayor Daley,

Hi, My name is [redacted]. I go to Ariel community Academy. I am in third grade. My teacher's name is [redacted]. We learned about the city of Chicago like Marina City and The Chicago fire. This is a great city. I learned how the Chicago river meets Lake Michigan. We made flags for Lake Michigan, the North Branch of the Chicago river, the South Branch of the Chicago river and the Great Canal. My BIG Bold plan is for children to have gym class everyday. These are the great reasons why they can exercise everyday which will keep their brains healthy. I will talk to my principal about getting exercise everyday. I know you can make this happen Mr. Mayor, because you are in charge of the schools.

This is how I want to do my Big plan's

1. talk to the principal about exercise everyday.
2. Have exercise in gym class everyday! This is a great idea because kids need exercise to help their brains grow. Kids will pay attention in class and be smarter. This will make Chicago an even greater city!

Love,
