Dear Mayor Daley

My name is [redacted] and I  
got to Barnard Elementary school and  
it is a good school because my  
teacher helps me learn a lot. Our  
classmates help us learn too. She also  
gives us what we need to do  
well in school. Barnard Elementary  
school is a good school

Jane Addams

Jane Addams found the Hull House. She  
let people stay there until they found  
a house. She found kids and kept them  
at the Hull House. Then she showed them  
where a house was. Jane Addams is a  
great person.

Making the city a better place.

I could plant more trees. I could make  
more vegetables. I could make more  
cars. It is good to make more things.

Sincerely  
[redacted]
