

Barnard school

Dear Mayor Dayley: Hi my name is

I go to Alice L. Barnard Elementary School! my school rocks because my class is learning about Chicago and the people the people who left a legacy of our city.

Like Jean Baptiste Point DuSable, and Daniel Burham. Jean Baptiste's legacy was building a trading post which is still here today. Daniel Burham's legacy was building Chicago after the Chicago fire.

If it was my choice to make the world a better place I would have at least 2 recycling bins at every single house in Chicago. Also, I would plant trees and flowers to make the world a prettier place to live.

What I learned Chicago is that we have a lot to learn about it. Even though this city was destroyed by fire there is still a lot of things in the past that can be remembered now.

Sincerely,
