Barnard school

Dear may Daley

My name is _____ we

learned a lot of things I am new here I like this school a lot

I learned math and reading.

First, We learned how to divide number in reading we learned

prefix and root word, and suffix.

Next, writing I like it because at first I only write a litter

sentence my teacher teach me

a lot of things she teach us

about Dusable she is the

best teacher every.

Then, We learned about compound words.

Last but not less, My Teacher

said what kind of text we can

make are school in many ways by

planting trees recycling

do not wast water.

Finally, We can make are city

a better place by not wasting

gas and I got to said Jean Baptiste

point left a legacy trading post,

trade things for other things. Today

We buy and sell things with money
Jane Addams - setup a place to help
people - Hull House → helped
immigrants in Chicago people
who came to America lived there
until they got a new house

We need more jobs for
all the people how lots
they job. Why are people
losing their jobs.

Love,

Love,
