Barnard  
School

Dear Mayor Daley: My name is [redacted]  
I go to Barnard School and  
I like Barnard cause it is fun we learn  
about recycling. This is fun cause  
you can do a lot of things.

We learn about Chicago. Danie Bashon  
left a legacy trading post + trade  
things. Today we buy and sell things  
with money. Jane Ada stop place to  
help people Hull House helped immigrants in  
Chicago.

3) We can keep the city cleaning and they  
need more jobs. And by not throwing  
chairs on the ground and do not throw  
food on the ground. Throw food in the  
garbage.
