

MAY 13, 2009

Dear Mayor Daley

Did you know that over 30 CPS students have been shot and killed this year? A big change I would like to see in the City of Chicago is to stop the killing and decrease the violence. This is a great idea because loved ones are dying and getting killed. They have to stop selling drugs in little kids faces. The city needs to solve the problem by taking them to jail.

Sincerely

Jacob Builder
