Dear Mayor Daley,

Hi! My name is . I am  
writing to tell you my plan with how to make  
Chicago a better place to live

My plan is to make people stop kidnapping  
one another so people would want to live here. I think  
this is a good change because people have kids to  
love not to be kidnapped and it's not good  
for people to be kidnapping kids when they  
didn't do anything to them.

To make this plan work the mayor  
will maybe have a meeting with everyone in our  
city so then we can work together to get the job  
done to stop people from kidnapping peoples family  
members that they really love.

If we make this change Chicago will be  
a safer place for many kids to live and play with  
their friends and family.
