

Max 13, 2009

Dear Mayor Daley,

Hi! My name is . I am writing to tell you my big plan how to make Chicago a better place.

My plan is to stop people from driving their cars and people from driving big trucks. This will stop the polluting. I think you should put this on the law because it can kill the animals, if a child has autism they could die from the polluting.

To make this plan happen it will not cost alot and it won't be long if we all work together. All the people should do is stop driving and walk, jog, or ride their bike around.

If you pick my plan all the animals will be alive and people will stop getting sick and stop dying.

From,

Beidler Elementary  
3151 W. Walnut, Chicago, IL 60624
