Dear Mayor Daley

Hello! my name is _____ I
am writeing to tell you my plan how
to chang chicago and make it a Better
place.

My plan is to Arest pepole if they
Litter in the city or on the ground and them
every Body would like to Live Here. This is a
great ideal Because the city is Really Dirty
and it is Bad to pulout our world. and if we
do we will Die.

To make this plan happen we will
need work together so they will stop
Littering and me and the pepole will pick
up the the trash so we will Not Die.

If you pick my plan Kids will
stop Dieing and Dogs and cats form
puloutchin. and the world we be
Clean.
