Dear Mayor Daley,

Hello! My name is
I am writing to tell you my plan
how to change the City of Chicago
and make it a better place to
live.

My plan is to give people
jobs because people are asking
people for money and I am saying
that people need to get a job.

To make this plan happen
we will have to tell people
on the street to get a job.
So that they can stop asking
for money from people.

If you pick my plan then
every body will have a job
and will be happier people.
If you pick my plan won't
any body ask people for money.
