Dear Mayor Daley,

Do you know
that over 300 CPS
students have been
shot & killed this year long

A big change I would
like to see in the city
of Chicago is when
people add get a job. This
is a great idea because
people stop killing people
people, so put the people
in jail and get more police
men out and get the
people who got the
guns. Chicago will be
better place because if
people get a job less
crime will happen, to
these people that did
nothing to them at all
