Dear Mayor Daley

Hello! My name is I am writing
to tell you my plan and how to make
Chicago a better place.

My plan is I want to help people stop
throwing stuff on the ground. You should
change the law because it can
get clean, and it can get better.

to make this plan work you have to
clean up, and you have to work together
because you can make it better.

If you pick my plan Chicago will
be a better place, and it will
look nice, and there will not be
no trash on the ground.
