Dear Mayor Daley,

Hello! My name is
I am writing to you because I want
make Chicago a good place to live.

My idea is to Build more School.
We should do this because people will
have smart brains, and for the kids
that do not go to school will have a
school to go to.

To make this plan happen grown
ups will have to talk to their kids
and they will get back in school. Also
we have to get a lot of money by
having a carnival.

If you pick my idea all of the kids
will be in school, learning and Chicago
will be a better place to live in.
