

May 13, 2009

Dear Mayor Daley,

Hello! My name is

I am writing to tell you my idea how to make a change for Chicago and make it a better place to live.

My idea is to change the laws and make everyone to recycle. This is a good idea because it won't hurt the animals, make Chicago look pretty, and factories won't have to make a lot of pollution in the air.

To make this plan happen we can put up signs that say "Pick up litter and we can save the Earth." Or we can tell the people on the radio to say "recycle to make the earth cleaner."

If you pick my plan Chicago would be a magnificent city for people to live. Animals and plants won't die either.

From,

Beidler Elementary
