Dear Mayor Daley,

Hello! My name is

I am writing to tell you my idea how to make Chicago be a better place to live.

My plan is to help people get a home. I think some people want a home because they live outside. But some people want a roof over their head. And some people who live outside have nothing to eat.

To make this plan happen we have to get some money and we can have fundraisers and we can work together.

If you pick my plan it would be no people outside wanting money. And if you pick my plan everyone would have a home and food to eat.
