Dear Mayor Daley,

Hello! My name is
I am writing to tell you my plan on
to make Chicago a better place.

My plan is to make everyone stop
shooting and then maybe everyone would
want to live here. You should do this because
people can stop losing members they like.
Also people stop buying caskets with their
money.

To make this plan work we need all
the polices will take all the guns and give
them to the army to use. And they will
have a meeting about this. Also they will
put this in the news papers so everyone
can read it.

If you choose my plan Chicago will
be a better place because people will
be happy if people stop shooting and
killing people they love. No more kids
will die and the street.
