Dear Mayor Daley,

Hello! my name is

I am writing to tell you my plan how to make Chicago be a better place to live.

My idea to arrest people and take guns from people. we should do this because people should not have guns but be arrested having guns.

To make this plan happen, we need all of the police men to help us to take all of the guns that people have in the store and from people.

If we make this change people will not get arrested and have guns. Chicago will be a pretty place to live.
