Dear Mayor Daley,

Hi! My name is . I am writing to tell you my plan on how to change Chicago and make it a better Plan.

My Plan is People need to stay in school. We should stay in school because we can be smarter people and when you are smart can't no body cheat you out of your money.

To make this Plan happen we have to raise money to build more schools by having concerts and we are going to have Ferris wheel and rollercoaster rides.

If you pick my Plan Chicago will be a better place to live in and go to school at. There will be lots of smart people.
