Dear Mayor Daley,

A big change i would like to see in the City of Chicago is, to open some more JOBS interviews sho people can't be on the street becuse. They will have a job so they can pay they rent. If they don't get jobs they can't pay they rent.

It cost a lot of money for the Jobs Programs. Chicago will be a better place when the jobs is open and the people will be off the street

Sincerely,
