

Dear Mayor Daley,

I am a student at
Jacob Beidler School 3151 W. Walnut.
I am a 5th grader. I am in a
Special needs Classroom. These are
some of the things that I would
like to see changed in Chicago:

① How do I want to make Chicago a better place?
Reduce the cost of living and better the
transportation system.

② Why is this a great idea?
- So many people would be able to afford
to live, also it would be easier for
people to get to and from work.

③ How will Chicago be different when the Mayor
make these changes?

More people will make more money
for more taxes.
