Dear Mayor Daley

Do you know that over
30 cops student have been
shot & killed this year already
A big change I would like
to see in the City of Chicago

is I want to stop the
killing. This is a great idea
— because people want to live they're
life Don't let a gun take your
life and let ~~god~~ take it.

The city needs to have more
police out and lock the
criminals up. Chicago will be
different when the mayor makes
This change people will be
dying by a good way.

Sincerely,
