Ear Mayor Daley

I want to make Chicago a better place by donating money to all schools.

This is a great idea because schools need to have money so that they can buy the students supplies. Like, books, paper, glue, backpacks, note books, and color pencils and pens.

My plan could take a long time and cost a lot of money. Maybe if people would make donations and you give schools money, this could happen.

Chicago will be different because everybody will be prepared and will be happy. They will also get better grades. People will want to go to Chicago schools.
