Dear Mayor Daley,

Did you know that over 1,000,000 people had been shot, stabbed and killed just in a year. But I have solution. A big change I would like to see in Chicago is to stop the killing. Ask your self "Why is this a great idea." This is a great idea because people can be safe, more can live their lives and more can enjoy life. What will the city need to do to make my plan happen? The city will need to have more jobs open for people hanging on the corners. Now Chicago will be a better place because people will stop losing loved ones.

Sincerely, Chicago, IL 60624
