

I can identify and infer character traits.

CCSSR1—read closely/carefully to **CCSSR3** analyze character traits and the relationship between traits and actions. This Graphic Organizer can be used to assess if completed independently, or as a learning guide.

You can use this chart to tell about a news report or a history.

CHARACTER in a story or *PERSON* (in a biography or news report or history)

<p><i>TRAIT of the character or person I find stated in the passage.</i></p>	<p>Trait: _____</p> <p>Where I find it in the text:</p>
<p>TRAIT / INFER</p>	<p>Trait: _____</p> <p>What part of the passage tells me that this character or person has this trait:</p>

A character or person has more than one trait.

Find another part of the passage that shows another trait.

Then write about it here. Tell what the trait is and why you think this person or character has that trait.

Another trait: _____

What the writer put into the passage that tells me this character or person has this trait.
