Dear Mayor Daley,

My name is . I am 9 years old. I am in third grade at Cesar Estrada Chavez school in the Back of the Yards neighborhood.

My big idea is to help catch the gangsters from killing innocent people. My plan is to catch gangsters. We would need handcuffs and bullet proof vests for the police. We will also need to install more cameras to catch the bad people. In addition, the city of Chicago will need to hire more police and more will need more police cars and trucks.

This plan will take a long time to get started, but it is very important. I think that you would understand this because you wouldn't want your people dying because of the bad gangsters. Please help Chicago to be a better place.

Sincerely,
