

## CHICAGO CONNECTIONS

I can collect, organize, and summarize information about an idea. (CCSSR7)

There are many parts to Chicago. It has different neighborhoods. It has different kinds of work.

Show some of the differences.

Draw or write words to show those in each part of this diagram.

### Connections

People all are part of the same city. That's why the diagram's parts are next to each other.

What is one important way people in Chicago are connected?

### Summarize

Write to explain what your diagram shows about Chicago.
