

**Compare a Central Idea Across Multiple Texts**

CCSSR2—figure out the central idea and support. (Based on a PARCC sample.)

Select one central idea or major claim that is developed in two different texts.
Then choose what you think is the sentence in each one that best supports the idea.

Central Idea:

Text	Supporting Sentence

THINK MORE

Which text provides the stronger support for the idea?

Why do you think that it has better evidence?
