

## Compare Information in a video and an article about the same topic (CCSSR2)

*Note to teachers—this is an 8th grade adaptable PCR.*

Write an essay comparing the information presented in the video with that presented in the article. Remember to use evidence from the video, the article, and the passage to support your answer.

### Kinds of Information Included

Article	Video

How are the two sources different in:

The kinds of information they include

---

---

The ideas they emphasize?

---

---
